

# Stop declining. Start living.

**PREDICTIFUND™**  
Predictive Solutions for Leasing Brokers™

**New and Improved  
Non-Credit Card Formula**

Are leasing declines affecting your quality of life? Do you find yourself turning away clients, resulting in lost revenue and a lack of productivity?

Declination is a real and serious condition among Leasing Brokers and, if left untreated, can lead to serious complications to your bottom line.

Now there is hope. **Declinex®** from PREDICTIFUND™ is used to treat a variety of leasing declination conditions and provides relief for otherwise untreatable C and D paper deals.

And best of all, your clients don't need to accept credit cards for **Declinex** to be used effectively.

Symptoms may include:

- **FICO scores as low as 500**
- **Tax liens or judgements**
- **Lost revenue and increased agitation**
- **Lower commissions**
- **Client dysphoria**

Talk with your specialist today to find out if **Declinex** from PREDICTIFUND is right for you.
